Dear Richard,

Inspection of proposed new ODI venue – Salland CC

I attach herewith a copy of the report submitted by Chris Broad following the recent venue inspection.

It is evident that a significant amount of work has been carried out on the venue since the 2009 inspection. In particular, the boundaries are now compliant with our minimum requirements.

Chris is pleased to confirm that the venue is now of a suitable standard for hosting international cricket (subject to the provisions of CCTV being provided on major match days as outlined in the report). I am therefore pleased to confirm that the Salland CC venue has received ICC approval for staging ODI/T20I cricket.

With kind regards,
